Please notice and understand that:

Matterport models are hosted in the Cloud, a service hosted and offered by Matterport company. We pay monthly a hosting fee for each property.

All above free or paid offers **include a 2 year hosting**.

After that as long as you have an active subscription for your property we will not charge you for hosting.

In case you do not have an active subscription after the first 2 years we will charge a hosting fee (50 EUR / property / year). The fee must be paid in the first 30 days of the renewal period.

The service is subject to Matterport availability.

The floor plans cannot be edited / changed / improved, and they will be provided as they are delivered by Matterport.

On request we can help you for FREE with the code implementation of matterport models in your website.
